The Just4Kids Motortrail is an annual fund-raising and fund-disseminating venture of the Pacific Rim Children's Charity. Money is raised along the way, as well as via the cost of entry paid by those who participate. A group of local families have been involved in supporting this worthy group's efforts in previous Motortrails, and intend to continue this support into the future. The MiniMotortrail is our version, but on a much smaller scale, with the funds raised assisting us in our efforts to support the ongoing work of Just4Kids.

**Thank you to all of our supporters.**

The support of the Fraser Coast region has been recognised by the organisers of the Just4Kids Motortrail, who have announced Hervey Bay as the starting point of the 2011 Motortrail.
